Dear Member,

We are very excited to present our first newsletter to biogas community. A lot has been happening in the biogas sector since we came out with our last publication and iba has been intensively participating on several fronts. Now onward we shall showcase upcoming events, news, articles and activities through our monthly newsletter.

Do you have an idea or a success story to share? Maybe you've heard of an upcoming event that we should all support. Did you just find a solution you'd like to suggest to others? Send us your ideas so we can support each other and grow together!

If at any time you wish to unsubscribe, please use the unsubscribe link at the bottom of this newsletter and subsequent issues.
